Issue 2, 2010

Companion Card goes National

National recognition of the Companion Card brings together state and territory programs that enable eligible people with a disability to participate at venues and activities without incurring the cost of a second ticket for their companion. Helen Granville, Manager of the Companion Card Program in WA said "National recognition of the Companion Card is great news for cardholders who will be able to use their card at affiliated venues when they holiday interstate". You can visit

www.wa.companioncard.asn.au and click "National Companion Card" to view a list of businesses and organisations affiliated in each state and territory.

Using Your Companion Card

Please remember Companion Tickets cannot be used without the cardholder being present. You must show your valid card during ticket collection and also at any time when asked during the activity. If you cannot present your card, you may be charged for your companion's ticket.

Companion Card E-news

Want to receive information about upcoming shows and events accepting the Companion Card? If you haven't already registered for our E-Newsletter, please send your email address to wa@companioncard.asn.au

Misplaced Your Companion Card?

You can request a replacement card if you have lost your Companion Card or if it is damaged. Please contact the program on 1800 617 337.

Nominate an Affiliate

Would you like to take the opportunity to thank a Business or Organisation affiliated with the Companion Card Program?

Nominate a business or organisation affiliated with the Companion Card Program who have gone out of their way to provide you with an enjoyable and trouble-free experience while accessing their venue or facility. Please email your nominations including a brief outline of what they did to wa@companioncard.asn.au

You're Welcome WA Access Initiative

The State Government, through the Disability Services Commission, launched a new website in February to assist people with disabilities, their family and carers with practical information on more than 2,300 accessible venues and facilities in WA. This includes details on the closest accessible parking, toilets and accommodation, right down to measurements, photos and diagrams. Visit www.accesswa.com.au to search by location or facility and look for specific features to suit your individual needs when getting out and about in WA.

Companion Card Affiliates

Below is the current (as at May 2010) complete list of formally registered Companion Card "Affiliates" where you can use your Companion Card. New affiliates are joining the program every week and we recommend you visit www.wa.companioncard.asn.au and click on Western Australia to keep up-to-date.

If there is a venue or activity that you wish to attend, it is your responsibility to check with the venue or ticketing outlet, at the time of booking your tickets, if they will accept your Companion Card. Many venues may still accept your Companion Card even if they are not formally registered with the program or listed below – so check each time!
